

Open Our Hearts by Rev. Breen Marie Sipes

Open our hearts
Open our hearts
Help us love
who you would have us love
Open our hearts

Open our minds
Open our minds
Help us know
what you would have us know
Open our minds

Open our ears
Open our ears
Help us hear
what you would have us hear
Open our ears

Open our eyes
Open our eyes
Help us see
what you would have us see
Open our eyes

Open our voice
Open our voice
Help us sing
what you would have us sing
Open our voice

Open our hands
Open our hands
Help us share
what you would have us share
Open our hands

Open our mouths
Open our mouths
Help us taste
what you would have us taste
Open our mouths

Open our tongues
Open our tongues
Help us say
what you would have us say
Open our tongues

Open our noses
Open our noses
Help us smell
what you would have us smell
Open our noses
